***STATEMENT FROM GOVERNOR NAPOLITANO  
RE: U.S. SENATE IMMIGRATION BILL***

The following is a statement from Governor Janet Napolitano regarding the U.S. Senate's vote to block further action on the immigration reform bill:

"I am sorely disappointed by the Senate's failure today to act on this issue of such national importance. For years now, I have spoken out on the devastation, the lack of action from the federal government and the desperate need for reform. By leaving it unattended, Congress is shirking its responsibility to not only Arizona, but the entire country."
